

SCOTLAND

June 17 - June 24, 2024

\$3400 / Person

Partner with Builders International and AGWM missionaries David and Julie Goldschmidt on the Bridge Family Church project. After years of praying, God has provided a building for this 11 year-old church plant in the capital city of Scotland. Through the renovation of a two-story building that is conveniently placed in the heart of downtown, the capacity of this church will grow and the ministry opportunity in this area will greatly increase!

Skilled Labor Needs

From skilled to no construction experience, although need some workers with experience in flooring.
